

Section 19.2: Levels of Expertise

Possible Levels of Expertise

Level 0: "What's an NP-hard problem?"

Level 1: "NP-hard? We should reformulate the problem, scale down our ambitions, or invest a lot more resources into solving it."

Level 2: "Let me apply my algorithmic toolbox for tackling NP-hard problems."

Level 3: "My condolences, your problem is NP-hard."

Level 4: "Allow me to explain the 'P vs. NP' conjecture."
